

What to bring to preschool:

- Hat: All children are required to bring a hat for outdoor play, following our sun and safety health policy.
- Food: For children accessing sessional kindergarten a small healthy snack is required such as fruit, sandwiches, dry biscuits. Sweets and cakes are discouraged. We have a refrigerator available for foods such as yoghurt and cheese, we ask that parents access this on arrival at the centre.
- Bag: A kindy bag is needed for their wonderful art work, and we ask that you label this on the outside with their name.
- Library service: We have a visiting library borrowing service and children will require a cloth library bag (sold on site for \$2) in order to take books home. This is a free service provided by Playford Council to encourage early literacy and we support children borrowing books on a regular basis.
- Sunscreen: must be applied prior to arrival at the centre, particularly in Terms 1 & 4.
- Shoes: We ask that children wear shoes appropriate for climbing and balancing and request that thongs are not provided as a foot-ware option.
